FusionTech Chat

April 19, 2019

The FusionTech Chat is now back, hopefully without spam. Come back during the net to chat with the control operators and others. Messages are stored so you don't have to be online to see them.
Latest message: 5 days, 22 hours ago

 visitor K9EQ-Chris : Howdy2026-11-10 01:25:34

 visitor VK4KWS-Kent : Thanks for the net gents. 732026-11-03 02:20:35

 visitor AI5AI-Don : Good Night to all2026-11-03 02:20:35

 visitor W4IOD-Odis : Everyone have a good evening and stay safe 73 de W4IOD SK2026-11-03 02:19:53

 visitor VK4KWS-Kent : G'day Odis2026-11-03 01:42:34

 visitor W4IOD-Odis : Good morning Kent2026-11-03 01:40:16

 visitor VK4KWS-Kent : Yeah that was my mistake. I used local time.2026-11-03 01:37:07

 visitor K9EQ-Chris : It should adjust automatically if the net time is entered for the time zone where the net originates. 7:30 PM CST.2026-11-03 01:36:03

 visitor VK4KWS-Kent : Thank you.I've edited WXScheduler.2026-11-03 01:35:10

 visitor K9EQ-Chris : Yes, first Sunday in November.2026-11-03 01:33:45

 visitor VK4KWS-Kent : I'm guessing you've finished silly time and back to real time now.2026-11-03 01:27:35

visitor W4IOD : Get the Newest SDR SAVE $200 TO $500: «link»2026-09-07 23:09:59

visitor K9EQ-Chris : Steve, GL. But no worries, it will be fine sticking with 4.10 The only change was a small improvement to the digital side - the interface and API remain the same.2026-09-01 01:26:20

visitor AI5AI-Don : Good night, everyone from Texas! See you next week!! 732026-09-01 01:25:46

visitor W4IOD-Odis : Everyone have a good evening and stay safe 73 de W4IOD SK2026-09-01 01:25:34

visitor W4IOD-Odis : Steve, small step up on the voltage increase the sweet spot for me was 14.2 vols DC good luck2026-09-01 01:24:48

visitor KA1CNF-Steve : Thanks guys. I did not try another power supply and did not even think to measure the voltage output. If I have success I will let the net know.2026-09-01 01:20:09

visitor KB0HXL--MIKE : I got stuck when I updated the firmware like that....solved it by changing the COM port number.....they switched..... might be the problem????2026-09-01 01:11:09

visitor K9EQ-Chris : Not available for iOS.2026-09-01 01:07:47

visitor K9EQ-Chris : Website for the app is OSQ1.net: «link»2026-09-01 01:04:18

visitor W4IOD-Odis : Your most welcome Mike and I hope you get it all sorte out.2026-09-01 01:00:10

visitor KB0HXL--MIKE : Oops.... it is Mike Sorry...Is there a YSF reflector for the DARC room? I've set up

a pistar also here....2026-09-01 00:58:34

 visitor AI5AI-Don : Is there a YSF reflector for the DARC room? I've set up a pistar also here....2026-09-01 00:57:05

 visitor KB0HXL--MIKE : TNX Odis...2026-09-01 00:54:29

 visitor W4IOD-Odis : Mike, yes it will work on any version.2026-09-01 00:54:13

 visitor W4IOD-Odis : Yaesu has changed it from Legacy to archive2026-09-01 00:53:50

 visitor KB0HXL--MIKE : Would the node and room numbers sent to me to enter on wires-x work on the 1.57 version?2026-09-01 00:53:43

 visitor W4IOD-Odis : Mike, try this link «link» 5:51:29 PM2026-09-01 00:52:07

 visitor W4IOD-Odis : it's under Legacy2026-09-01 00:51:02

 visitor W4IOD-Odis : sorry FTM1002026-09-01 00:50:20

 visitor W4IOD-Odis : 1.570 will work with a FTM002026-09-01 00:49:56

 visitor W4IOD-Odis : Mike, you can still download and install Version 1.5702026-09-01 00:49:25

 visitor KB0HXL--MIKE : But I got the answer, thanks guys!!2026-09-01 00:49:10

 visitor KB0HXL--MIKE : No dice with 40012 either.2026-09-01 00:48:37

 visitor KB0HXL--MIKE : Well that was one of the

scenarios I thought could be the case, Chris....TNX!2026-09-01 00:43:29

 visitor K9EQ-Chris : I'm not seeing them here on the FusionTech server, which is 2.x.2026-09-01 00:42:29

 visitor K9EQ-Chris : I'm guessing that DARC room is on version 1.5.x which means it is not visible on version 2.x. N0BJN is the guy talking right now. I suggest asking your question when they open up on the net.2026-09-01 00:41:12

 visitor KB0HXL--MIKE : 2.0.1.02026-09-01 00:41:03

 visitor KB0HXL--MIKE : The new 2.? version....2026-09-01 00:38:36

 visitor K9EQ-Chris : Mike, which version of WiRES-X are you using?2026-09-01 00:37:59

 visitor KB0HXL--MIKE : It is a question....I'm listening to the net directly right now....2026-09-01 00:37:08

visitor W4IOD-Odis : Good evening, Mike, is that a question or are you trying to join us for the net?2026-09-01 00:36:40

visitor KB0HXL--MIKE : Can't hit local C4FM repeaters so set up FTM-100D direct node, new firmware. Trying to access DARC room but failing to connect with #40606 Is the room only open at certain times?2026-09-01 00:33:24

 visitor AI5AI- Don : Good night everyone!! 732026-07-21 01:14:13

 visitor W4IOD-Odis : Ed, we do not transmit the net on HF srry.2026-07-21 01:03:42

 visitor W4IOD-Odis : Yes Kent you are correct 1.570 is the latest "Legacy" version of WiresX software.2026-07-21 01:03:03

 visitor W4IOD-Odis : HowDee Don and yes, you can run more than one Radio in PDN setup at the same time just need a different computer for each radio.2026-07-21 01:02:04

visitor AI5AI- Don : Thanks Odis!!2026-07-21 00:56:49

visitor AI5AI- Don : Can you run two PDN's at the same time???2026-07-21 00:55:36

visitor VK4KWS-Kent : isn't 1.57 released for the 3102026-07-21 00:54:36

visitor VK4KWS-Kent : Did he say 1.56?2026-07-21 00:48:21

visitor KM6ARL : Ed, Vista CA. Do you guys also have nets/activites on HF using Fusion. (my radio hotspot is having issues right now)2026-07-21 00:44:59

visitor VK4KWS-Kent : Gday Odis2026-07-21 00:36:32

 visitor W4IOD-Odis : Good morning, Kent2026-07-21 00:33:03

 visitor VK4KWS-Kent : Hi All.2026-07-21 00:32:33

 visitor W4IOD-Odis : Yaesu repeater program application: «link»2026-07-21 00:31:29

 visitor KC9IL-Warren : Don't jinx us Chris!2026-07-21 00:29:12

 visitor KC9IL-Warren : Howdy 7-20-262026-07-21 00:28:49

 visitor W4IOD-Odis : Good evening all 7/20/20262026-07-21 00:23:52

 visitor K9EQ : At least we don't have

spam!2026-07-17 00:35:19

visitor K9EQ : More information. You can only use one "Name" per browser. If you switch browsers and use the same name, you'll get the Error: Missing Form Data. So if you're getting this error message, try changing your "Name" a bit. I will periodically clear the name database which means that any name should then work.2026-07-17 00:34:27

visitor K9EQ : test2026-07-17 00:32:14

visitor Chris : test again2026-07-16 21:39:41

visitor Chris : test2026-07-16 21:39:09

visitor Chris-K9EQ : It appears that the problem with Error: Missing Form Data may have been solved. This is a problem with the underlying AJAX system, not necessarily the chat software itself.2026-07-16 19:10:31

visitor W4IOD-Odis : However, most folks are running some flavor of MS Windows so there you go. □□□2026-07-14

08:36:20

 visitor W4IOD-Odis : I can also state the same for the emojis.□□2026-07-14 08:35:10

 visitor W4IOD-Odis : Chris, FYI: the error seems to only affect versions of MS Windows. I am on Fedora 44 KDE Plasma desktop with no issues i posting.2026-07-14 08:34:03

 visitor KC9IL-Warren : Good evening all!2026-07-14 01:16:58

visitor W4IOD-Odis : HowDEE Don □2026-06-30 00:57:21

admin wphamoperatoradmin : (K9EQ-Chris) 'C' (3.0) is a different interface than the previous versions of USB. So perhaps Yaesu is having driver problems with 'C'? WiRES-X 2.x requires a new software driver installation.2026-06-30 00:52:38

visitor VK4KWS-Kent : Haven't struck that with my FTX1. The computer I use is an older one and does not have USB C ports so have only used USB A to USB C.2026-06-30 00:49:18

 visitor AI5AI- Don : Looks good Chris2026-06-30 00:48:39

 admin wphamoperatoradmin : About thanking Odis? Yes.2026-06-30 00:44:02

 visitor KE0YJJ-Rick : Did my odis msg work2026-06-30 00:43:09

 visitor KE0YJJ-Rick : I think I see tthe correct form.2026-06-30 00:42:52

 admin wphamoperatoradmin : wphamoperatoradmin = K9EQ2026-06-30 00:42:13

 admin wphamoperatoradmin : Good evening all. Possibly having a problem with the chat. Your message is not being sent if you see a missing form data message.2026-06-30 00:41:23

visitor KE0YJJ-Rick : Greetings all. and thankyou Odis for the donation to the chat software2026-06-30 00:39:03

visitor AD0MI : welcome back Odis2026-06-30 00:37:30

visitor W4IOD-Odis : Testing2026-06-30 00:37:06

visitor W4IOD : Hello Kyle2026-06-30 00:35:13

visitor KD0D Kyle : Hi all2026-06-30 00:34:06

visitor W4IOD : Good morning, Kent2026-06-30 00:33:46

visitor VK4KWS-Kent : Good evening All.2026-06-30 00:32:06

admin wphamoperatoradmin : Testing2026-06-30 00:31:13

visitor W4IOD : Yaesu DR2X Repeater Program Application can be found here: «link»2026-06-30 00:29:51

visitor W4IOD : Good evening all 6/29/2026<img draggable="false" role="img" class="emoji" alt="" src="«link»2026-06-30 00:26:14

visitor Odie : Good evening all 6/29/20262026-06-30 00:25:18

visitor AD0MI : hello2026-06-30 00:22:17

visitor K9EQ : Test2026-06-30 00:18:58

admin wphamoperatoradmin : What wasn't clear in the

advert was that a subscription to Google Fraud Defense is necessary. The first 10,000 reCaptcha are free. So we'll see how that goes.2026-06-29 18:09:53

admin wphamoperatoradmin : The page uses ReCaptcha v3 which is like ReCaptcha v2 except there are no bicycles to ID or "I am human" boxes to check. It's there in the background.2026-06-29 18:06:56

admin wphamoperatoradmin : I now get analytical data from Google and so far no bot or spam attempts.2026-06-29 18:06:02

visitor N4HZX- Tom : FusionTech Chat looks excellent — congrats on getting it live! Impressive work here. This will be a great addition to the FusionTech community.2026-06-28 18:42:46

visitor W4IOD-Odis : Yaesu DR2X Repeater Program application can be found here: «link»2026-06-28 12:21:48

visitor W4IOD-Odis : Thank you Chris2026-06-28 09:49:15

visitor K9EQ-Chris : Welcome to the all new chat. It now uses Google's reCaptcha v3 and other security measures to keep annoying spamers away. We'll see how it goes.2026-06-28 04:54:21

admin FusionTech Chat : Welcome to FusionNet Chat. When connecting please say hello with your callsign. Connect with the net control stations by logging in during the FusionNet net at 7:30 PM Central on Mondays.2026-06-28 02:44:34

We wish to gratefully acknowledge the financial contributions from W4IOD which helped purchase the commercial version of the chat software that includes spam mitigations.

Please use your callsign-Name for your "Name" below.
